Good thing I gave them a hardcopy with the correct docs. I have Johns approval on Bears Ears, just waiting on Grand Staircase now. I'll send the correct docs! thanks :)

It looks like you included 2 copies of the New Info Request document, and not a copy of the Executive Summary.

Subject: Bears Ears Executive Summary and Initial Data Request

Hi,

Please find attached the Executive Summary and Responses to the Initial Data Request for the Bears Ears National Monument. Also, attached is a zip folder with all of the supporting documents. The summary, response, and data are the documents that are available on the google drive that the monument review team has been accessing and editing. Only the executive summary and possibly some information from the data request summary will be included in the draft report to the Secretary. However all of raw data provided will remain available in the zip and google folder. Lastly, new information was requested on EO 13792 that Utah has provided. This information needs to be provided in a separate document and cannot go on the google drive. Randy has requested this information in a separate email the document is titled "New information requested on EO..."

Once you review, I will let Randy know today that BLM has completed the initial data request for Bears Ears and Grand Staircase. I'll send Grand Staircase shortly.

Thank you!
